Dear Applicant,

Rural Community Engagement Coordinator

Thank you for your interest in the above vacancy. The Farming Life Centre is a small and vibrant charity established in 2004. It provides health, wellbeing and business-related information and support to the farming and rural communities of the Derbyshire and Staffordshire Peak District.

We run continuous projects to address the health, social and economic inequalities and deprivation within the farming community. In all of its work, the charity seeks to improve the quality of life for farmers and isolated rural residents by promoting personal, social and economic wellbeing.

Over the years, the charity has successfully developed and run projects in the fields of: mental and physical health, heritage, the arts, business support and development, skills development and confidence building.

Attached is a Job Description/Person Specification and Application Form. When completing your application please refer to your skills knowledge and experience in relation to the Person Specification and Job Description

Please return either by e-mail to rachel@thefarminglifecentre.org.uk or by post to Mrs Rachel Metcalfe at the above address.

Closing date is 5.00pm – Monday 29th June 2026.

Yours sincerely,

Rachel Metcalfe – Charity Manager
